

Dear Prospective Tenant,

We hope to give those serious and qualified candidates the best opportunity, by asking them to complete our questionnaire.

If you are interested in renting an apartment at El Zaguán, please complete the questionnaire and return it along with your resume and samples of your work to the Historic Santa Fe Foundation offices at 545 Canyon Road, Santa Fe, New Mexico 87501.

When we have a vacancy, according to tradition, preference is given to applicants who are:

- prepared to use the apartment as their primary residence, on a long-term basis;
- supportive of the work of the Foundation and willing to abide by its tenant policy guidelines, including the requirement that apartments be made available for public viewing during Historic Preservation Week (usually one afternoon in May).
- Artists and writers, and those involved in the fields of art and literature, particularly those seeking 'affordable' housing; and
- Descendants of the original owners of the property, i.e." members of the Baca/Johnson family.

Thank you for your interest.

Sincerely,

Elaine Bergman
Executive Director
